- 1 x PMC3 syringe
- 1 x PMC3 paste
- 24K gold foil
- Natural gemstone
- Sterling Silver disc
- Photopolymer
- Liver of Sulphur
- Course notes
- Certificate

### Booking conditions:

#### Deposit

If booking a Certification course more than one  
month in advance a deposit of £100 can be made  
with the outstanding balance being paid prior to  
the course date.

#### Completion of Certification

We endeavor to get students to complete their  
projects during the allocated time. However, you  
have up to one month to complete your projects  
and submit them to obtain your  
Certification Module.

#### Refunds

A full refund will be given if you cancel 3 weeks  
before your course. After this period any fees will  
be allocated to another course of your choice. We  
reserve the right to cancel courses at short notice  
due to unforeseen circumstances, whereupon a full  
refund will be given regardless of notice.

#### Pregnancy

Please note Module 2 includes the use of leaded

enamels. If you think you may be pregnant please  
state this at time of booking so we can have  
unleaded enamels available during the course.

#### Special needs

Should you have any specific requirements please  
state at time of booking and inform us how we can  
best assist you during your course.

## The PMC Studio Certification programme

*Comprehensive, practical training in Precious Metal clay*

You have done the beginner's course, read the book, made a  
few pieces and are looking to expand your skills. The new PMC  
Studio Certification Programme may be just for you.

This is the most comprehensive dedicated PMC training  
Programme currently available. Learn everything you  
ever wanted to know about PMC and more!

#### Benefit from:

- Excellent PMC teaching
- All projects demonstrated step by step
- Discover the latest techniques
- Work in a dedicated PMC training studio
- All materials are included from clay to wire
- Use of all tools and equipment provided
- Great discounts on clay, tools & equipment

Each module addresses a different skill or approach and  
when taken all together, give a broad spectrum of skills  
in the use of PMC for both personal and  
Professional development.

We believe in flexible learning. Our modular curriculum means  
that you can complete any module, in any order at any time.

Choose to complete just one module, two modules or all three.  
In return for completing modules we help you reimburse your  
course fees by offering you further discount on your future clay,  
tool and equipment purchases from The PMC Studio.

#### Modules available:

Module 1 – Naturals  
Module 2 – High finish  
Module 3 – Innovative design

Cost: £425 Per module inc. Materials pack and VAT.

Those who have successfully completed a Certification Module  
will obtain a numbered Certificate and be eligible to be added to  
our Certified Register.

*The Certification Programme is the programme endorsed by Mitsubishi Materials Corp,  
The manufacturer of PMC in Japan.*

“ Thank you for a  
Really thorough  
and inspirational training  
last week. I had a great time  
and got home exhausted but  
full of enthusiasm ”

## Module 1 - Naturals

Cost: £425

Includes materials pack, course notes, certificate and VAT.

Duration: 3 days (10am – 6pm)

This module is all about using the natural, clay like Properties of Precious Metal Clay and combining them with natural, organic materials such as leaves, twigs and pods.

Projects :

### 1 Textured pendant.

Includes creating your own moulds and setting a fireproof gemstone.

### 2 Glass pendant.

Learn to set a glass cabochon in PMC and fire allowing for the shrinkage.

### 3 Band ring.

Focus on creating strong, durable rings that will withstand daily wear.

### 4 Organic materials.

Combine PMC with organic materials such as leaves, pods and paper.

### 5 Decorative clasp.

Create a two part clasp combining PMC and Silver wire.

### 6 Domed bead.

Make a hollow bead using dry construction techniques. Can also be worn as a pendant.

### 7 Hollow free form.

Use the new wood clay to create any hollow form.
